A statement showing the latest dates for sending in applications for the several Local Examinations of 1942 appended hereto is notified for general information. Special attention is invited to the following points :—

1. Applications for admission to the examinations should be submitted on printed forms which will be supplied on application to the Secretary, Local Examinations Boards, New Public Offices, Bangalore, after the 1st September 1941. All requisitions for forms should reach the Secretary, *at least a fortnight before* the latest date prescribed for sending in the applications for admission to the examinations. The Secretary will not be responsible for non-receipt of forms owing to the requisitions being sent too late or, to miscarriage of letters in post, the address not being full and correct, etc.

2. Fees as shown in Column No. 4 of the statement against the particular examination to which the candidate seeks admission should be credited into a Mysore Government Treasury in time for sending in the applications **by registered post** so as to reach the Secretary, Local Examinations Boards, on or before the date mentioned in Column 3, after which date *no applications will be received for that particular examination.*

3. *Fees sent in cash in any form will not be accepted.* Candidates should make their own arrangements for paying application fees for the examination into a Mysore Government Treasury and send the printed application form with the Treasury receipt and seal thereon on or before the specified date.

The Secretary may refuse to issue the duplicate certificate, if he is not satisfied as to the genuine nature of the request and in that event, the fees paid will not be refunded.

(iii) The Heads of schools sending up candidates for the several Public Examinations of 1942 are requested to see that either the original pass-certificates or the duplicates thereof, which should form enclosures to the applications for candidature (as required in Column 5) are obtained by the candidates not later than the 30th September 1941. *The candidates should under no circumstances be allowed to send either their applications for duplicate Pass Certificates or the Treasury Challans as enclosure to the applications for candidature.*

5. Boy candidates will not be admitted to the Mysore Middle School Examination by *private study* unless they send with their application forms sufficient proof to show that they had sat for the English Lower Secondary or Middle School Examination (with English as First Language) in 1941 or earlier and had failed at the examination or unless they are specially permitted by the President, Local Examinations Boards, in which latter case, the original permission granted should be attached to their applications for admission to the examination. Teachers in recognised schools and girl candidates may, however, appear for the examination by private study without obtaining previous permission as referred to above.

6. The printed column in the application form for non-attendance certificate in the case of private candidates (both boys and girls) for S.S.L.C., Middle School and Upper Primary Examinations of 1942 should be filled up before the form of application is sent to the Secretary, Local Examinations Boards. The officers who sign the certificates of non-attendance are requested to satisfy themselves that the candidate is a *bona fide* private candidate and they should ensure themselves that no scope for irregularity of any kind is allowed in this respect.

7. (i) Applications for transfer of centres, if any, in respect of the Middle School or the Upper Primary Examination, should ordinarily reach the Secretary, Local Examinations Boards, New Public Offices, Bangalore, on or before the 10th January preceding the examination, with sufficient and valid reasons.

(ii) A fee of Re. 1 will be levied in respect of each such application submitted for good reasons, between the 11th and 20th January preceding the examination. Each application for change of centre submitted during this period should be accompanied by a treasury receipt for rupee one. No change of centre will be granted *under any circumstances after the 20th January preceding the Examination.*

(iii) Application for change of centres in the case of School candidates should be submitted through the Heads of Middle or Upper Primary Schools and, in the case of private candidates, through their parents or guardians.

(iv) Applications for a change of centre should contain information on the points noted below:—

- (1) The centre originally selected by the candidate.
- (2) The centre to which his name is required to be transferred.
- (3) Whether the change of centre applied for is for the Middle School Examination or for the Upper Primary Examination.
- (4) Reasons urged for the transfer supported by the parent or guardian of the pupil.

Note.—(1) The Secretary, Local Examinations Boards, Bangalore, may refuse to change the centre of examination if proper reasons in support of the change asked for are not furnished.

- (2) The fee paid for change of centre will neither be refunded nor reserved for a subsequent examination, if the change has been refused for want of proper reasons in support of the change asked for.

8. The fees once paid into the Treasury for admission to the Middle School or Upper Primary Examination shall, on no account, be refunded but may be reserved for the same examination in the following year, if the candidate was unable to sit for the examination on account of illness. This should be supported by a Medical Certificate from a competent authority not lower in rank than a District Medical Officer or from a Medical Graduate countersigned by the District Medical Officer, and the application for such reservation should be sent so as to reach the Secretary, Mysore Local Examinations Boards, Bangalore, on or before the date of the commencement of the Examination for which the fees have been paid.

9. The Heads of Institutions sending up candidates for the Middle School or the Upper Primary Examination of 1942 are requested to send the applications arranged according to optionals and caste war.

10. A consolidated list of candidates who are deficient in attendance calculated up to the Middle of February 1942 should be sent in the prescribed form, which will be supplied along with the application forms so as to reach the Secretary, Local Examinations Boards, Bangalore, *not later than the 20th February 1942.* The attention of the Heads of Institutions is invited to Director of Public Instruction's Circular No. 1 of 1940-41—Edn, 64-3 of 1940-41, dated 11th July 1940, laying down rules regarding the cases to be recommended for exemption.

11. It is of utmost importance that the heads of schools should not only advise the candidates to give their correct date of birth, *i.e.*, day, month and year but also reconcile the dates given in the application form with that in the Admission Register of the School. The candidates should be made to give only the father's (whether living or not) name and not the guardian's name.

12. The Heads of High Schools sending up candidates for the S. S. L. C. Public Examination will kindly note the following points in connection with the preparation and submission of applications for candidature :—

(a) Candidates should be asked to give their *correct* date of birth, *viz.*, the day, month and year, in the form of application *as entered in the form of application for admission to the school and in the Admission Register* of the School without giving room for unnecessary correspondence in the matter. They should be advised to enter *only the father's (whether living or not) name* in the form of application and not the guardian's name.

(b) The Heads of Institutions should satisfy themselves that the entries in the S. S. L. C. card correspond with those in the form of application for admission to the examination in every respect and that the date of birth entered in S. S. L. C. card corresponds with that in the Admission Register of the school.

(c) The Heads of High Schools should arrange the applications and the S. S. L. C. card separately in the same order, firstly according to the second language chosen by them and secondly, in the alphabetical order under the several second languages. In no case should the application forms and the S. S. L. C. cards be mixed up, as this will lead to confusion while checking the applications. The applications and S. S. L. C. cards of candidates who have been declared "Passed" in previous years should be separated from others and arranged in the same manner as noted above.

(d) The Heads of High Schools should also furnish a separate certificate to the effect that all the entries in the form of application and the S. S. L. C. card agree with those made in the admission register of the schools.

(e) A classified statement showing the names of candidates under "Ordinary" and "Supplementary" Certificates, the several second languages and optional subjects offered by them should accompany the application for candidature.

13. The admission tickets of candidates who appear for the several Local Examinations of 1942 *by private study* will be sent direct to the candidates concerned by ordinary post to the addresses furnished by them in their application for admission to the examination about 15 days prior to the date of the commencement of the examination to which the particular candidate has appeared.
